### **Connie Cleveland-Nolan**

Connie Cleveland-Nolan is an internationally recognized dog trainer who has been coaching obedience students for over four decades. In 2019, she launched *The Obedience Road*, an online membership platform for obedience competitors, offering video content, webinars, community forums, and personalized feedback. Connie has coached hundreds of students to their competitive goals while also competing and training at the highest levels—finishing 12 Obedience Trial Champions, 2 Field Champions, and 5 Amateur Field Champions.

### **Kelsey Wehr**

Kelsey Wehr joined *The Obedience Road* in 2021. Having earned Obedience Trial Championships with her first two Labradors, along with QA2 and MH titles in field events, Kelsey thrives on the challenges of competing across multiple venues. Drawing from her competitive, teaching, and technical experience, she is committed to helping *Obedience Road* students achieve their goals.

### **Seminar Format**

Join us for an engaging two-day seminar featuring a mix of topic-focused breakout sessions led by both Connie and Kelsey. Participants can expect multiple sessions of individual instruction and working time with both instructors each day.

The seminar will cover a variety of topics, including heeling skills, jumping exercises, position changes, and specialized sessions on preparing to show. Additionally, attendees will have the opportunity for a "handler's choice" session to focus on their specific needs and goals.
